Dentech Advance Hydraulic Patient Chair

Key features that allow the Advance Patient Chair to provide comfort for the patient and easy access to the oral cavity for the dental team include:

- Double articulating adjustable height headrest
- Two programmable pre-set positions
- Programmable exit and return-to-last position
- Safety shut-off for backrest and base
- Engineered lumbar support
- Patented compensating seat/back movement
- 30 degree left/right rotation
- Tethered foot control
- Pre wired for remote touchpad control
- Rotating arm rests with locking mechanism for easy patient exit and entry
- A five-year warranty
- Choice of seamless upholstery or plush ultrasoft leatherette and memory foam for the ultimate in patient comfort

Dentech Equipment is backed by Dentech's legendary service and a five-year warranty. Dentech Equipment has a 35-year track record of providing high-quality dental products. Our goal is to provide dental professionals with products that increase productivity and reduce risk of injury through sound ergonomic design.

Dentech Equipment reserves the right to change specifications and make any technical alterations without notice.
